REQUEST FOR COMPLETE OFFICE ACTION
AND FOR THE RE-STARTING OF THE RESPONSE PERIOD

Commissioner for Patents
P.O. Box 1450

December 2, 2003

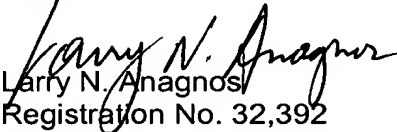

Sir:

Receipt is acknowledged of the final Office Action, dated November 19, 2003. In reviewing the official action, it appears that the detailed action portion thereof is incomplete. In this regard, it is noted that the Office Action Summary sheet (PTOL-326) indicates that claims 1-21, 23-27, 30 and 31 are pending and were all rejected. (See Items 4 and 6). However, in the detailed action portion, there is no indication of what specific action was taken with regard to claim 23. None of the specific rejections detailed included claim 23. Accordingly, it is respectfully requested that a supplementing, substitute official action be mailed including also a detail of the specific action taken with regard to independent claim 23. Consistent with USPTO policy, also, it is respectfully requested that the shortened statutory period for replying be re-started as of the mailing date of the substitute Office Action. MPEP

§710.06. The USPTO's early consideration regarding this matter will be greatly appreciated.
